Homerom Teacher _____ **Grade** _____

Lockers are assigned to students for their use under the following conditions:

1. Lockers are assigned by the school administration according to school policies, and are the property of the school.
2. Lockers will be issued after the student has paid a nonrefundable fee of six dollars. Checks may be made payable to River trail Middle School.
3. Proper care of the lock and locker are the student’s responsibility. Defacing or damaging the locker by stickers, paint, markers, scratching, striking or any other method are grounds for withdrawing the locker privilege, and the student and his or her parent/guardian may be charged the cost of any repairs or damage to school property.
4. The school is not responsible for the contents of lockers, including the loss of or damage to student materials, books, personal effects, instruments, electronic devices and any other items.
5. Damage to or problems with lockers should be promptly reported to the Office immediately.
- 6. Students may not visit their lockers during class time unless they have a signed pass from a teacher.**
7. The assignment of lockers is for the duration of the school year. Lockers must be cleaned out by the least day of school. Any remaining contents will be removed by the administration and will be disposed of at its discretion.
8. No perishable items are to be left in lockers overnight, and the contents of lockers must comply with all school rules and policies. The school reserves the right to inspect the lockers and the contents of the lockers whenever it deems appropriate to do so.
9. A violation of these terms may result in withdrawal of locker privileges or other appropriate discipline.

I have read and understand the policies listed above.
